TOWN OF JONESBOROUGH STORMWATER MANAGEMENT PLAN AND STORMWATER ORDINANCES REVISIONS

The Town of Jonesborough, Tennessee developed and implemented a Stormwater Management Program. In accordance with the requirements set forth in the National Pollutant Discharge Elimination System (NPDES) Small Municipal Separate Storm Sewer Systems (MA4) Permit (TNS000000), the Town must provide formal Public Notice for the Stormwater Management Program. Please visit the Jonesborough website at www.jonesboroughtn.org or contact us at (423) 753-1030 to view the Stormwater Management Program.

Additionally, in compliance with the regulations of the State of Tennessee 2022 MS4 Permit, the Town has revised its Peak Stormwater Management, Erosion and Sedimentation Control, and Permanent Water Quality Management Ordinances.

The Town of Jonesborough, Tennessee would like to invite the public to comment on the Stormwater Management Program and the ordinance changes. Questions and/or comments can be submitted via email to Town staff at grosenoff@jonesboroughtn.org. Please send any questions and/or comments prior to November 1, 2024.
