

The Town of Jonesborough, TN exudes patriotism and is honored to fly American flags from the street poles in its Historic Business District. The flags are flown in support of the United States Military and to display the deep love of our country. The American Flags that line downtown main street in the oldest town in Tennessee are a profound source of pride and happiness for our residents and visitors.

To cover the cost of the flags, the town's Flag Committee offers the ADOPT A FLAG PROGRAM, where individuals can sponsor one or more of these beautiful flags. When you adopt a flag, you can dedicate it to an individual, a group, or sponsor it in your own name. When you adopt a flag, there is a plaque that is displayed on the pole where the flag is flown.

Enclosed is a copy of the ADOPT A FLAG participation form. Please complete the form and mail any payments to:
